

# Workshop on Inherent Safety

Sponsored by

**Mary Kay O'Connor Process Safety Center**

---

With the current industry focus on inherent safety, the Mary Kay O'Connor Process Safety Center is pleased to host a one-day workshop. The objective of the workshop will be to explore "state-of-the-art knowledge regarding inherent safety technology with an eye towards delineating appropriate research options that should be pursued to fill some of the existing knowledge gaps." The workshop will feature speakers from government, major operating companies, and leading technology firms.
