Details

The symposium will feature an exhibit area where companies can show products, technology, and software related to process safety. The booth includes:

- 10'x10' booth
- electrical hookup
- table/chairs
- listing in meeting programs, in print and online
- One complimentary registration is provided. All others attending booth/symposium must pay applicable fees.

The exhibit area will be in the Bluebonnet Grand Ballroom. Exhibitors may begin setting up at 4:00PM, Monday, October 22, 2012 (the day before the Symposium), and at 7:00AM the first morning of the Symposium.

We request that booths not be dismantled until after the break on Thursday, October 25.

Shipping: The Hilton College Station Conference Center cannot accept shipments. Please see following information from the UPS Store. UPS Shipping Instructions

Door-prizes: Door-prize drawings will be held each day of the Symposium. Exhibitors may contribute items to the drawing. Items will be displayed prior to the drawings and contributors recognized. Items may be submitted to Symposium personnel the day of each drawing.

Exhibit spaces will be randomly assigned closer to the Symposium.

Itinerary: The exhibit area will be open during all Symposium breaks and closed during sessions.
